Sunday, 6/2, 9am-5pm

Love Elgin Day Values

Every person matters to us as much as he or she matters to God.

We love people where they are and where they need it most.

The sacrifice of Jesus offers total forgiveness to all who place their faith in Him.

Provide every resource possible to pour hope into every heart in need.

Leadership is to be valued and respected as each has gifts to lead with

We cannot out give God...but we can try...so GO the extra mile

A united Christ-Centered community is transformational in every community, city and our world.

Playing it safe is risky – Planning intentionally means everything

Prayer changes our hearts and prepares us to see others' hearts changed.

T.E.A.M. = Together Everyone Achieves More!

Love Elgin Day was birthed out of the heart of believers in Jesus who have a great love for people who are in need of hope, resources and a hand up. The LED Vision is accomplished through Christ-centered, faith-based churches, working and partnering together with city, police, fire department and local businesses, to bring the Kingdom of God and the love of Jesus Christ, to those who have felt-needs and are hopeless in some area of their lives. May we be challenged to work together, across denominations, so that the world can see us unite, partner up and touch people spiritually, emotionally, mentally and socially.
